

TRILLIUM HUNTER JUMPER ASSOCIATION

Championship Show Spec Change Procedure

It is the right of every registrant of the Trillium Hunter Jumper Association to propose amendments to the Championship Show Specifications.

Submissions must be received by March 1st for consideration and possible implementation in the following year.

All submissions will be reviewed at the spring meeting of the THJA Board of Directors. Zone representatives will consult with their membership throughout the season. Proposed changes will be posted and open for membership feedback. Registrants are encouraged to read the proposed changes and make comments/suggestions via their zone reps for the THJA Board of Directors to consider.

The THJA Board of Directors will formally discuss and consider the pertinent comments, suggestions, and observations at the fall meeting and will finalize the specs for the following year at this meeting. The changes will be highlighted, and published by January 1st.

Proposals for changes will be circulated to the registrants in June for the following year via email blast and the THJA website.

Championship Show Specifications Change Proposal Form

The deadline for spec change proposals from individual members is March 1st for the following year.

Proposals (choose one): New Change Remove Other

Please be sure to submit the EXACT wording you are proposing for consideration and the reasons behind your change so the board can understand the intent of your request.

Please note that the THJA only oversees the Trillium Championship Show Specs. None core divisions or classes are reviewed by the respective Zone Board. Please contact your Zone Board for information about those divisions/classes.
